Stars fading but I linger on dear

 / 
  / 
  / 
 / / /

Still craving your kiss

 / 
  / 
  / / /

I'm longing to linger 'til dawn, dear

 / / / 
  / / /

Just saying this, oh

 / / / 
  / 
  /

Sweet dreams 'til sunbeams find you

 / / / 
  / / /

Sweet dreams that leave all worries behind you

 / / / 
  / / /

But in your dreams what-ever they be

 / 
 

Dream a little dream of me.
